SYNOPSIS 75W/80 GL4

Description

SYNOPSIS 75W/80 GL4 is a fully synthetic multi-vehicle manual transmission fluid specifically designed for use in European and Asian vehicles that are outside warranty.

Synopsis 75W/80 GL4 passenger car manual transmission oil is capable of servicing a wide variety of modern manual transmissions, providing both gear protection and synchroniser compatibility.

Manufacturers include: Alpha Romeo, BMW, Chrysler, Chevrolet, Citroen, Daewoo, Fiat, Ford, Honda, Hyundai, Jeep, Kia, Land Rover, Lexus, Mazda, Mercedes, Mitsubishi, Nissan, Peugeot, Renault, SEAT, Skoda, Toyota, Volkswagen, Volvo, etc.

Performance Levels

- API: GL-4
- MB 235.16
- API: MT-1
- Man 341 E2
- Man 341 Z2
- ZF TE-ML 02B
- ZF TE-ML 17A

Benefits

- Proven performance in European and Asian synchronisers
- Superior bearing and gear protection
- Excellent cleanliness
- Good low temperature performance
- Robust corrosion protection

Typical Data

Specific Gravity	@ 15°C	0.876
Kinematic Viscosity	@ 100°C	8.95
Kinematic Viscosity	@ 40°C cSt	52.22
Viscosity Index		152
Flash Point COC (°C)		195
Pour Point °C		-38

Revision Date: January 2024
