

OPUS LUBRICANTS PRODUCT DATA

PURE (Fuel Biocide)

Description

OPUS PURE is a highly effective Diesel fuel preservative, formulated to maintain contamination-free fuel and fuel storage tanks. Suitable for application to all Diesel fuel types , including those with FAME (biofuel) content.

Benefits & Performance Levels

- 1 part **Pure** to 4000 parts fuel assures effective treatment. Therefore 500ml of **Opus Pure** will treat up to 2000 litres of fuel. A stronger dose may be applied for severe contamination.
- Dose prior to the addition of fuel to ensure proper mixing.
- Destroys contamination in 24-48hours.
- For best results use in conjunction with **Opus Elite** or **Opus Allplant**.

Storage

All packages should be stored under cover. Where outside storage is unavoidable drums should be laid horizontally to avoid the possible ingress of water and the obliteration of drum markings. Products should not be stored above 60°C, exposed to hot sun or freezing conditions.

Revision Date: August 2021
